# YEARBOOK

**Yearbook**—Row 1: L. Bittinger, R. Cerk, S. Folk. Row 2: Mrs. Connor, P. Baird, M. Crimboli, Miss Custer. Row 3: S. Fontana, R. Bozo, H. Hart.

The yearbook staff consisted of eight girls and two sponsors, Miss Custer and Mrs. Connor. We worked together combining many ideas: choosing the color and style of the cover, deciding the type of print, scheduling many individual and group pictures and senior portraits, and writing copy. We realized that yearbooks must change and progress throughout the years. As we look back, we will remember that the long, hard hours of discussions seemed endless. Our goal has been accomplished. We hope that when you look through the pages of this yearbook, you will recall the memorable experiences of an unforgettable year.

**Editors-in-chief**—R. Bozo, L. Bittinger.

## LION'S DEN

The year 1970-71 marked the initiation of a new system for The Lion's Den newspaper. It became an elective subject with no prerequisite for Journalism I. This made the newspaper a voice for all students at Greensburg Salem.

Published once a month, The Lion's Den is composed of news, editorials, features, and sports. The staff was kept busy taking pictures, opinion polls, writing and choosing stories, and reporting special activities.

The Lion's Den tries to concentrate more on school activities rather than the usual social topics.

**Lions Den**—Row 1: Mrs. Wolf, M. Carmichael, L. Collier, K. Hoffman. Row 2: D. Stabile, N. Portzer, S. Henry, J. Troy. Row 3: K. McQuillin, K. Gettins, T. Henry, D. Pushic, T. Todaro.

**Editors**—S. Henry—editor-in-chief, J. Troy—editorial editor, T. Todaro—sports editor, D. Stabile—advertising manager, K. Gettins—features editor, M. Carmichael—news editor.

## STUDENT COUNCIL

Row 1: Mr. Thompson, M. Carmichael, R. Author, J. Kallaugher, V. Liscinsky, C. Koontz, P. Baird, K. Hornock, C. Doran, Miss Custer. Row 2: P. Ruff, J. Carroll, P. Resetar, M. Rosensteel, M. Spisso, K. Ferraro, K. Lloyd, A. Seeno. Row 5: W. Bollinger, R. Dickson, C. Herman, G. Detar, J. Urban, R. D'Angelo, R. Thomas, J. Opar

"The regular meeting of the Student Council will now come to order with Mark Merriman presiding. Jill Smith will read the minutes of the previous meeting. The treasurer's report will be given by Steve Taylor. Old business and new business is discussed."

This is an example of our Student Council at work. It has solved problems, sponsored assemblies, and social activities.

At the beginning of each new school year, homerooms elect one student to represent them in this organization. A formal installation of officers and members is then presented to the student body.

Through the efforts of its members, officers, and sponsors, Mr. Thompson and Miss Custer, the Student Council will continue to act as a connecting link for the students, faculty, and administration.

**Student Council Officers**—S. Taylor—Treasurer, J. Smith—Secretary, R. Dickson—Vice President, M. Merriman—President

The sound of *Hallelujah Chorus* filled the auditorium as our choir sang with great enthusiasm. Such control and discipline have come through long, hard hours of practice.

Participation of individual groups performing at Mountain View Inn has added the touch of professionalism to the choir.

This professionalism has carried over to such projects as the contemporary Thanksgiving Day assembly, the Christmas Day assembly, and the fantastic performance of *Music Man*.

As host to the County Chorus, our choir has shown other schools what it takes to be a truly great singing ensemble.

## BAND

Isn't that the famous Greensburg Salem marching band? Even as far away as the Orange Bowl in Miami, Florida, our prize-winning band has become well known. Who else could have raised the money needed to be able to represent our school and community and bring themselves such personal pride?

Among other awards were first place in the F.O.P. parade, first place in the Firemen's parade at Harrisburg, Pa., which also gave them the state championship, and second place in the Columbus Day parade in Pittsburgh, Pa.

Strict discipline, expert management, and diligent practice have made the band what it is.

## FOOTBALL

August 18. Double sessions. Here we go again, guys. Hard work, sore bodies, running plays, fundamentals, and then the payoff.

First game, scared a little? Well, we should be. They were all out to get us. Rain! The field was muddy from rain sometime that day. We were always waddling in the mud and splashing in the puddles. What a sight we were, but so what; it all washed off in the showers. The home crowd at Offut Field naturally expected us to win. Sometimes we did and sometimes we did not. Whether we won or whether we lost, our spirit stayed the same. Of course, even winning had its price. We were tired and black and blue and hurt. There were stoved fingers, disjointed necks, hurt knees, and even one broken ankle. But still a wild locker room. Victory was ours!

Then Senior Night was here. It was not only our last game but our biggest rival. We were up for the game but that wasn't enough. Hempfield was tough. Senior parents watched and realized that this was their sons' last game. Sure we were bruised and hurt after the game but that did not compare to the hurt of losing.

It was a bittersweet season. We won five and lost four. Our seniors are gone, so now it is all up to the underclassmen. Good luck, boys.

It has its ups and downs.

## GIRLS BASKETBALL

This year our school was fortunate to have our first girls' basketball team, coached by Miss Pahnos. The girls came through the season placing third in the section tournament. Because of the enthusiasm of the girls, the team ended their season with 8 wins and 6 losses.

Senior teammates were Diane Anderson, Judy Falcon, Emma DePolo, Sandy Earnest, Debbie Anderson, Nancy Bell, Linda Welling, Sue Cackowski, and Nancy Deemer. We are indebted to the girls varsity team for a job well done.

Sink it!

Eight p.m. neared and a basketball game was about to begin—a game in which two teams were to compete to their fullest for a victory. One team will come up with a winning victory while the other must fall to defeat. That is how it was at all games, including Greensburg Salem. Only they were not the team to go down. They were the victorious conquerors. From the time they ran through the hoop until the last second of the game, you could see "win" written on their faces, determination and skill in every play made, and faith and admiration in the fans.

With the skill and speed of the team, plus the excellent coaching of Mr. Becker and Mr. Snodgrass, Greensburg Salem was the winning team.

Sit tight, boys; you are next!

Our boys did a magnificent job this year. Our defending state champion Mickey Kenney was the winner in the Westmoreland County Wrestling Tournament at 95#. Another fine wrestler who was runnerup was Anson Seeno at 120#. We were tied for second place at 21 points.

Mickey Kenney was awarded a trophy for the outstanding wrestler by the Tribune Review. His three years of wrestling shows that he is willing and determined to be right up there on the top.

Two outstanding wrestlers, Mickey Kenney and Rick Bowman, were champions in the Section 2 Tournament. Also, Keith McQuaide was runnerup in this event.

Mickey Kenney was the only county champion Greensburg Salem had this year. He went all the way to the finals but unfortunately lost.

The team had a season record of 9 wins, 2 losses, and 3 ties.

Coach Kelvington and the team are to be congratulated for a successful year.

This year's golf team, coached by Mr. Shuster, won 7 of the 10 league matches and placed second in Section 5. Jim McArdle and Denny Kuriluk represented Greensburg in the regional individuals. Jim McArdle qualified for the W.P.I.A.L. finals and then qualified for the state finals in May at Penn State University by shooting a 79 and an 81 for 160.

This year's letter winners were: Seniors James McArdle, Dennis Kuriluk, Bob Faye; Juniors Hank Lockard and Joe Blanda; and Sophomore Joe Sisley.

## TENNIS

Roaring through another challenging season, our Lion tennis men had a record of 4 wins and 6 losses. Under the coaching of Mr. Kinkead, the team shared many rewarding experiences. Although GSHS was not one of the major contenders for the section title, our team won some hard fought matches and was responsible for a number of surprising upsets. At the conclusion of the 1970 season, we were in third place.

The team captain was Scott Laird. He represented Greensburg in the W.P.I.A.L. Section 6 semi-finals singles. He was undefeated in section play and was the first four-year letterman in Greensburg tennis history.

Returning members for the 1971 season include Jim Thomas, Dave Nelson, and Howard Stern.

Practicing every night after school during the season, the 1970 cross country varsity squad was young and inexperienced but determination showed in their individual efforts. The leading winner was junior Randy Brown who set the school record against Kiski Area.

There were four letter winners: Gary Owens, Tony DiRado, Bob Kostelnik, and Wesley Bard.

## TRACK

This was the first year that Greensburg Salem left Offutt Field and began to use their new track at the senior high school. Coach Ron Silvis and his Lions won their home opener against Central Catholic and repeated their performance against Valley to initiate the new track on a winning note.

Even though the 1970 team fell on the short side of the win-loss column, there were several outstanding individuals on the team. Senior Bill Rebosky finished the season by taking the high scoring trophy for the team with his outstanding performance in the javelin and hurdles. Mike Crimboli, another senior, also had a great year

in the broad jump and the triple jump. Junior Frank Spisso dominated the sprints and is expected to do equally as well next year.

In the upcoming 1971 track season, we have our most promising returnees: Mark Kuhns, John Mahoney, Ron Argenta, and Frank Spisso.

With the completion of this season, Coach Silvis ended his eight years tenure as track coach at GSHS. As he looks back, he has many memories that will always remain with him. Coach Silvis thanks the school and his athletes for this fine experience.

Start with two coaches like Mr. Schwing and Mr. Hassinger. Blend in the accuracy of a pitcher. Add the force of strong batters. Whip in quick outfielders and season lightly with spirit and initiative. Combine all the ingredients in a baseball field at 80° and let bake for nine innings. The results are a glorious win for the Greensburg Salem baseball team.

The leading batters for the 1970 season were Gary Pedicone with a batting average of .350 and Joe Kempka with .333.

## RIFLE

Shooting their way through another exciting rifle season, our Greensburg Salem marksmen had an overall record of 3 wins and 9 losses. Twenty boys participated in this sport under the coaching of Mr. Slezak.

Captain of this year's team was Steve Ryan; co-captain was Mark Branthoover.

Returning lettermen were Mark Branthoover and Gary Dohey. Outstanding marksmen included Joe Pianko, Steve Ryan, Mark Branthoover, Allen Mattei, and Gary Slezak.

Representing Greensburg in the W.P.I.A.L. All Star Match were Allen Mattei, Joe Pianko, and Steve Ryan.

# CLASSES

## JUNIORS

As we walked through the doors of our school for the first time this year, with Mr. Stern as our sponsor, we were one step closer to graduation. We remembered the past, lived the present, and looked to the future. The past was represented by that first hectic day of school, magazine sales, candy sales, and our sophomore class play. The present was represented by the opening of new fields of opportunity—the choice of studies and our first attempt at college boards. We had the traditional selling of refreshments at the basketball games to raise money for the prom. In January we received our long-awaited class rings. In looking to the future, we realize that we have but one year of high school until we meet the challenges of life.

From stationery and pizza sales to selling refreshments at the basketball games, we started to fulfill our year's goal.

### THE DREAM

When the white eagle of the North is flying overhead  
The browns, reds and golds of autumn lie in gutter, dead.  
Remember then, that summer birds with wings of fire flaying  
Came to witness springs new hope, born of leaves decaying.  
Just as new life will come from death, love will come at leisure.  
Love of love, love of life and giving without measure  
Gives in return a wondrous yearn of a promise almost seen.  
Live hand-in-hand and together we'll stand on the threshold of a dream.

## ADMINISTRATION

Most schools think that their teachers are the best, but they aren't because ours are. Each of them has an individual way of presenting 42 or 49 minutes of material to us. They try to communicate. But it takes two. Usually they are referred to as—faculty. But they are people. They are men and women who help us learn and, believe it or not, they help us mature into young adults.

What do they do? Well, they teach us history, math, English, and science. They put up with our silly pranks and sometimes they even laugh with us. They give what they know and hope that we hear, because we are their goal.
